Principal assigns it to the teacher/authority concerned. The aim of the mechanism is, firstly, to resolve the grievances of the students amicably, secondly, to maintain confidentiality, and thirdly, to resolve grievances in legal and impartial ways. Grievances at the college level examination- answer sheet of units test are shown to the students for his/her observation. Practical test examination performance is discussed orally. Grievances, if any, are resolved in parents-teacher meeting. Grievances at the university level examination - if at the university level, discrepancy in marks is found in practical or theory marks, if asked, photocopy of the answersheet is issued by the university. Students may apply for reevaluation. After reevaluating the answer-book, the university sends a new mark-sheet with due correction. In case of misprint of the students name, the principal sends a letter to the university. Evidently, the examination exercise through these channels is transparent, time - bound and efficient mechanism. The college resolves the grievances at the college level or at the university level.

Principal assigns it to the teacher/authority concerned. The aim of the mechanism is, firstly, to resolve the grievances of the students amicably, secondly, to maintain confidentiality, and thirdly, to resolve grievances in legal and impartial ways. Grievances at the college level examination- answer sheet of units test are shown to the students for his/her observation. Practical test examination performance is discussed orally. Grievances, if any, are resolved in parents-teacher meeting. Grievances at the university level examination - if at the university level, discrepancy in marks is found in practical or theory marks, if asked, photocopy of the answersheet is issued by the university. Students may apply for revaluation. After revaluating the answer-book, the university sends a new mark-sheet with due correction. In case of misprint of the students name, the principal sends a letter to the university. Evidently, the examination exercise through these channels is transparent, time - bound and efficient mechanism. The college resolves the grievances at the college level or at the university level.
